

# WHAT IS AIRIUM GATEWAY?

Airium Gateway is simply your solution to making the best of the online revolution in the hospitality industry today and increasing your bookings online. As a State-of-the-art yet most affordable solution, Airium Gateway captures the essence of Hospitality by giving your Hotel the edge through its comprehensive yet simple room booking capability for your online customers. The solution comes with a payment gateway seamlessly integrated guaranteeing your revenue on the spot.

*"Our focus is simply on opening a new dimension in sales channels for your hotel operation and most of all on connecting you globally through your own website."*

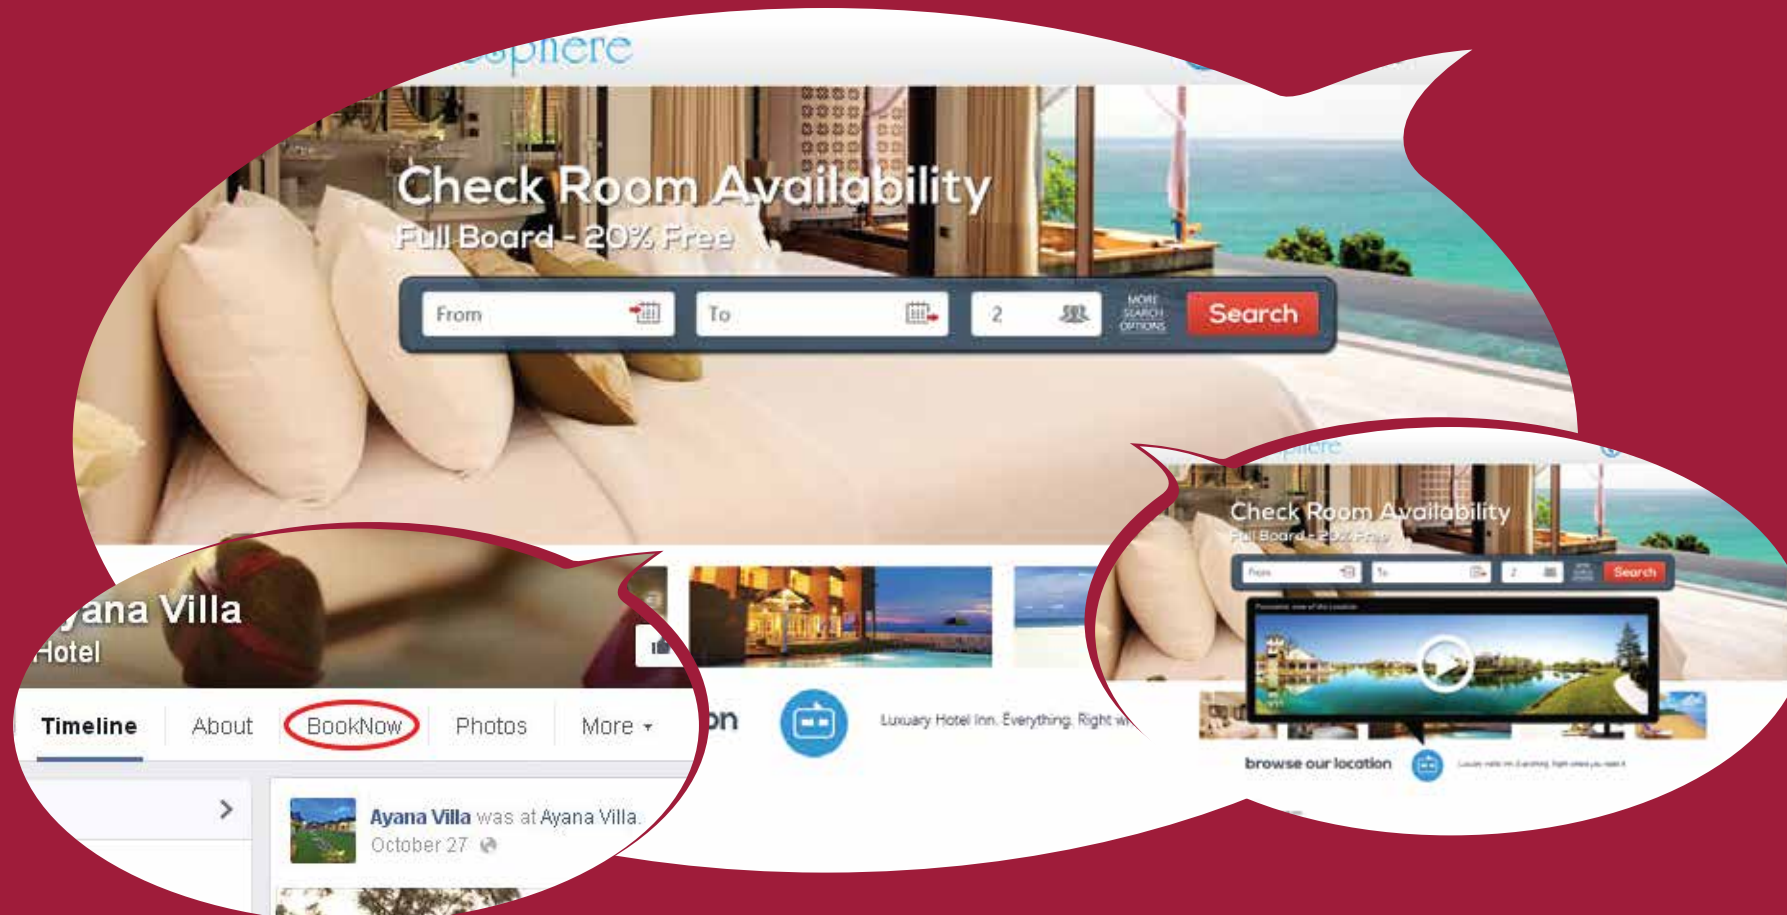

## AIRIUM

# G A T E W A Y

# THE HIGHLIGHTS & FUNCTIONS

- 100% web based solution providing online real-time bookings
- 24/7 Support for the solution
- Airium Gateway's Common Payment Facility (CPF) eliminates the need to purchase an expensive payment gateway and relieves you from the hassle of managing booking-related payments
- Bookings facilitated through your very own Facebook page

- Rooms can be sold across your entire Hotel chain on a single website
- The Airium CPF is also equipped to handle refunds
- Cutting-edge interfaces, redesigned to make the internet booking procedure a very simple and interactive process
- Manage room inventory, rates and reservations on your own administration panel
- Supports multiple currencies and card types
- Comprehensive reports on booking patterns

# DID YOU KNOW THAT?

**73%**

Internet travel booking revenue has grown by more than 73% over the past five years

**65.4%**

Brand Website: Website where distribution is operated and managed by the brand (e.g. [www.marriott.com/](http://www.marriott.com/))

And the most popular online travel booking source is a hotel's own website

## WHY YOU SHOULD CHOOSE AIRIUM GATEWAY?
